

Welcome to Flex!

Flex is a year-round service of the Cape Cod RTA. The bus follows a standard route, picking up and dropping off passengers at designated stops. The bus also "flexes" off its route to serve people who cannot get to a regular stop. The bus runs seven days a week through Labor Day.

You will notice two types of bus stops in the schedule: Main Stops and In-Between Stops:

Main Stops: Flex will always serve Main Stops, usually within five minutes of schedule either way. They are shown in BLUE on the schedule and on the route map.

In-Between Stops: They are shown in BLACK on the schedule and on the route map. Flex will stop at those when a passenger is waiting or asks to be dropped off. It's best to arrive at an In-Between Stop early, ideally at the time shown for the previous Main Stop.

How to Schedule an Off-Route Trip

- Make your off-route reservation at least two hours before your scheduled pick-up. Off-route reservations are limited and are on a first called first served basis. For best results, make your reservation a day or two in advance. Call RTA Customer Service to let us know your exact location and/or destination. Off-route trips are limited to 3/4 of a mile off the usual Flex route.
- If you plan to make the same off-route trip regularly, you may be able to place a standing order up to two weeks in advance.
- To cancel an off-route trip or standing order, contact RTA Customer Service as soon as possible. 1-800-352-7155

Flag Flex – Where it's Safe!

Now you can flag down the bus or asked to be dropped off at any safe point along the Flex route – with one notable exception: flagging is not permitted anywhere along Route 6 - for safety reasons. Simply wave to the driver with enough time for the bus to stop safely.

If you would like to be picked up or dropped off along Route 6 at other than a regular bus stop, please schedule an off-route trip by calling RTA Customer Service at 800 352-7155. If it's safe, Flex will stop for you.
